

Jasper High School Bulldog Band

Region 10 Middle School Band Directors,

I would like to thank you for allowing Jasper High School the opportunity to host middle school UIL Concert & Sight-reading Contest. We will try to provide the best atmosphere possible for the contest. Warm up will be in the band hall, performance on stage and sight-reading will be held in the shell gym. The contest office will be in the foyer of the auditorium. Restrooms are located in the lobby of the auditorium. Please instruct your students to stay quiet in the hallways as classes and performances will be in progress. Concessions will be available from our band booster organization but no food may be allowed in the building. All buses and equipment trucks need to park in the student parking lot behind the campus. The following equipment will be available on stage and sight-reading: Bass Drum, Bells, Timpani (stage only) and Chimes (stage only).

Prior to contest, please fax me a copy of your band set-up which includes the number of stands needed to accommodate your band. Also indicate if you would like to use sound shells and where you would like them located.

If you have any questions, please contact me at the numbers or email listed below. Thanks again for allowing us to host contest and I wish you and your students the best of luck.

Sincerely,

Jeff Parma
