

INVOICE FOR ORGANIZATION EVENTS

A separate computation form is no longer required for computing fees for organization events. Please submit the INVOICE that is created automatically from the submission of Form 2's for Marching and Form 4's and 5's for Concert and Sight-Reading on UILForms.com.

Following the submission of entries, click on REVIEW ENTRIES, select the appropriate event and then click on "show entries."

THEN...click on PRINT INVOICE

Mail the invoice with your check or if your district sends one check for all groups, mail the invoice.
