

# REGION 17

## District Choir Selections

These are the results from the HS Choir District audition. We chose 50% of the Soprano 2 and Alto 1 panels and 65% of the Soprano 1 and Alto 2 panels.

These numbers reflect the scores breaks and also insure that we will have enough students to complete the next audition level and select two viable ensembles.

I did not list the male students since the Tenor and Bass parts have been certified as District Choir Members.

This is a list of all auditioning students. ONLY the students with "District" listed in the Ensemble column have been selected and will advance to the next level of auditions.

Remember that the student must actually perform at the Region audition in order to receive the District patch. The Region level of auditions are October 25<sup>th</sup> at Alvin High School and include sightreading.
