Parking at Pearland High School:

~ Address: 3775 So Main, Pearland, 77581

~ PHS is divided into 2 campuses on the same location: South building and North building, each with their own cafeteria and parking lots. All buses and student parking for Pre-Area auditions should be on the North campus- the parking lot across the street from DOLLAR GENERAL. If you cannot see this store, then you are not in the right parking lot (we are trying to save you walking time). If you are in a parking lot in front of the football field, "The Rig", you will get lost!
