

Deer Park High School

710 W. San Augustine
Deer Park, TX 77536

Band Hall 832-668-7227

Dear Directors:

We would like to welcome you to the Region XIX UIL Concert and Sight-Reading Contest to be held April 14, 15, 16, 2004, at the Deer Park High School Performing Arts Center. This facility is located on our South Campus at 710 W. San Augustine. We hope this contest is a positive experience for you and your students, and we look forward to seeing you in April.

General Information:

A student monitor will meet your group and will remain with you throughout the contest procedure. Please cooperate with them so that we may keep the contest running on schedule.

Buses should unload at the front of the school. Instrument cases should be placed back on the buses, and students should wait in the mall area outside the PAC lobby prior to entering the warm-up room. Percussion equipment may be unloaded at the south entrance (or back) of the PAC, however, please be aware that the sight-reading room is adjacent to this hallway and students will need to be extremely quiet. An adult monitor for these students would be appreciated.

After unloading, all buses and trucks should be moved immediately to the designated parking area.

Directors should check in at the contest office located in the lobby of the PAC. Leave your Form #1 and scores with the contest chairman. Scores should be numbered and clearly labeled with your school's name on the front cover.

The Studio Theatre will serve as the warm-up room. A tuner and metronome will be provided. Your monitor will notify you when it is time to leave the warm-up room for the stage. This will be 5 minutes before your scheduled performance time. You must leave at the appointed time so that the contest remains on schedule.

The stage crew will be instructed to accommodate your exact set-up requirements, however, the presence of your assistant director at this time is highly recommended. The dimensions of the stage performance area are permanent, therefore, be sure you check your set-up prior to your performance to insure that it will fit. All set-ups will begin with the podium at the curtain line unless you request otherwise.

Equipment provided on stage: grand piano and risers (3' x 8' – 3 each at 8", 16", and 24")

The doors to the performance hall will remain closed while a group is performing. They will be opened between performances. Audience members are asked to sit forward in the hall, not in the judge's area. No videotaping will be allowed in either the concert or sight-reading area and audio recordings must be purchased from the professional recording company.

The band hall will serve as the Sight-Reading room. Risers will no be used.

Percussion instruments needed for Sight-Reading:

Level III (4A HS Non-Varsity)

Snare Drum/Bass Drum
Bells
Triangle, Susp. Cymbal
Crash Cymbal

LEVEL IV (5A HS Non-Varsity)

Snare Drum, Bass Drum
Cymbals
Bells

LEVEL V (4A HS Varsity)

Bells
Timpani
Snare Drum, Tambourine,
Bass Drum, Crash Cymbal
Suspended Cymbal

LEVEL VI (5A HS Varsity)

Timpani
Triangle
Cymbals
Bells
Tambourine,
Snare Drum, Bass Drum

Percussion instruments provided in Sight-Reading: Bass Drum and Timpani. You will need to provide all other instruments, mallets, drumsticks and accessories.

Buses may pick-up students in the same location as the drop off. Ratings should be picked up in the contest office after your sight-reading performance. Students are not allowed in the contest office. Restrooms can be found in the PAC lobby and a telephone is available for student use in the mall area outside the lobby.

We ask that an adult monitor or director stay with the students at all times and that quiet is maintained so as not to disturb other performing groups or school classes. A concession stand will be available for your students and we would appreciate your patronage.

If you have any questions call the band office at 832-668-7227.
