Dear Director:

New Caney High School welcomes you to Region XIX UIL Music North Zone CC/CCC Middle School Band Concert and Sight-Reading Contest to be held on Wednesday, March 31, 2004.

A student monitor will meet your band when you arrive, and will remain with your band throughout the entire contest procedure. Please cooperate with them so the contest will run on schedule.

Equipment trucks should unload and load at the service drive next to the Band Hall. Student buses should unload in front of the school. After unloading, all buses and equipment trucks must be moved immediately to the New Caney ISD Maintenance and Transportation parking lot. Please make your bus drivers aware of where this area is located.

There will not be an area for the storage of instrument cases. All cases should be stored on the buses.

A stage set-up crew will be provided, but an assistant director's help will be appreciated. The set-up crew will do their best to accommodate your exact set-up requirements. The set-up crew will begin each set-up at the curtain line. If you would prefer that your set-up begin in "front of" or "behind" the curtain line, note this clearly on the set-up chart. Indicate also whether you wish the curtains to be opened or closed as your band enters the stage.

The doors to the auditorium will remain closed while a band is performing and will be opened only between performances. In order to maintain a comfortable temperature on stage, the house temperature may be colder than normal.

They will be instructed to move your band from the warm-up room to the stage **five minutes** before your performance.

The warm-up room will be located in the choir room. Remind your students to move quickly and quietly from the warm-up to the stage. After you finish on stage, you will be taken to the band room for sight-reading.
