Associate Director

Dear Directors,

New Caney High School welcomes you to our campus for the 2013 Region 19 UIL North Zone Middle School Band Concert and Sight-reading Contest on Tuesday March 5 and Wednesday March 6.

Upon arrival, each director should check in at the contest office located in the Theater Arts room behind the auditorium. Remember to have all of your numbered judge's scores and be sure to write your school's name on the front of each score. **DON'T FORGET YOUR FORM # 1.**

Equipment trucks should unload and load at the service drive next to the band hall. Student buses should unload in the circle drive in front of the school. There will not be an area for the storage of instrument cases. All cases should be left on the buses.

Equipment truck and Bus parking will be in the lot immediately behind the Fine Arts wing. Please have your drivers follow the instructions that my students will give them when parking. At no time can an Equipment truck be left unattended in front of the entrance to the school.

A student monitor will meet your band when you arrive, and will remain with your band throughout the entire contest procedure. Please cooperate with them so the contest will run on schedule.

A stage set-up crew will be provided, but an assistant director's help will be appreciated. The set-up crew will do their best to accommodate your exact set-up requirements. The set-up crew will begin each set-up at the curtain line. The doors to the auditorium will remain closed while a band is performing and will be opened only between performances. In order to maintain a comfortable temperature on stage, the house temperature may be colder than normal.
