Region 19 Directors,

We look forward to hosting the Vocal Solo & Ensemble Contest on Saturday, February 10. Please read this letter carefully as it contains quite a bit of important information pertaining to the contest.

Buses: Please have your buses drop off students at the cafeteria entrance (refer to enclosed map) at the back of the campus. Buses should park in the staff parking lot at the back of the campus. You may enter the campus from West Lake Houston Parkway or from Will Clayton Parkway. If you enter from Will Clayton Parkway, circle the building and drop off at the back of campus as stated above.

Students: Please sit together with the designated chaperone or parent from your school. Bring money for concessions and something to keep you busy when you are not singing. If you happen to make a mess, please be courteous and clean up after yourselves. No food or drink is allowed in the hallway or judging areas. All food must remain in the cafeteria. Students should remain in the cafeteria at all times unless you are traveling to a judging room or returning from a judging room. Students will not be allowed to wander about the building. Medium ensembles should congregate on Main Street (main hallway) outside the library before moving to the auditorium. A student monitor will lead directors and medium ensembles to the auditorium

Directors: Drop students at cafeteria and go to the library to check in. You will need to mark DNA's, ensemble substitutions, and turn in your #1 form at this time. Students will not be allowed in the Contest Office/Library. Our school has a house concept with open flex areas dividing classrooms. **In order to keep the flex areas outside the judging rooms quiet, we ask that no more than three students at a time be waiting outside the room.** Students that are waiting to sing **must** remain quiet in the flex areas outside the judging rooms. We will need your help with this. Plan to have one of your students or a parent volunteer escorting students from the cafeteria to the judging area as needed.

Concessions: Our Choir Boosters will be selling concessions that will include bottled water, soft drinks, barbeque sandwiches, pizza, chips, pickles and baked goods.
