Congratulations on being selected as an area candidate for AREA H. You and your directors/teachers can be proud of your accomplishment. I hope you take the time to thank those involved with your performance.

Our area tryouts will be held on January 13, 2018 at Clements High School. The address is 4200 Elkins Rd, Sugar Land, TX 77479

You will need to sign in at your audition room at 10:15 AM. Maps will be posted to show you where these are located.

Any new information will be posted on the Region 23 website, www.uilforms.com/regions/23/. All communication will be done on this website. You may e-mail me at jamesadolnik@katyisd.org.

If you are unable to attend the Area tryouts, we must call the alternate. Notify your band director ASAP if you will not be attending.

Be on time!! Late arrivals will not be accommodated, unless there is a valid reason. Late students may only enter late until the first round of playing has been completed. After the first round is completed no students will be allowed into the audition for any reason.

The area fee that you will pay at your region tryouts is **\$7.00**. Students that qualify for State will need to pay the State fee of **\$20.00** at the conclusion of their Area audition. Please be prepared to fill out all the necessary forms for state if you make it.

- Make sure you discuss the warm-up procedure with your director.
- Do not wear letter jackets or clothing that may identify your school affiliation.
- Absolutely no electronic or recording devices will be allowed in the tryout rooms. This includes ipods, tablets, cd players, games or gaming devices, recording devices, cell phones, computers, etc. If in doubt, ask.
- Metronome markings should be observed.
- A non-audible single use metronome may be used prior to the performance, but not during the performance. Tuners and/or metronome tuners are not allowed in the audition room.

Again, congratulations on making Area. Best of luck!!
